Application requirements for international school students:

- 1) This mechanism is applied to all college programs.
- 2) The student is required to submit the results of the aptitude and achievement tests and must fulfill the other general admission conditions for admission to the college.
- 3) In the case of direct admission, the common year subjects similar to the academic subjects that the student has successfully passed are exempted, as shown in the previous tables above, and the student is assigned a grade of (F) or (E). The following are excluded from these subjects:
 - a. Medical terminology.
 - b. Islamic culture. *
 - c. Arabic language. *
 - d. Communication skills.

**Number of courses depends on the program*

- 4) The student should pass these subjects during the years of study, as they are one of the graduation requirements.
- 5) Non-Arabic speakers, and Non-Muslims could be exempt from Arabic and/or Islamic culture courses.
- 6) Homeschooling is not accepted at Vision College.
