

## Course Specification Student Version

<b>Course Title:</b>	Head and Neck Anatomy
<b>Course Code:</b>	ANAT 212
<b>Department:</b>	Basic Medical Sciences
<b>Program:</b>	Bachelor of Dentistry
<b>College:</b>	Vision College in Riyadh
<b>Institution:</b>	Vision College in Riyadh
<b>Revised:</b>	July 2025

## A. Course Identification

- |   |
|---|
| 1. Credit hours: 3 (2+1+0)                                    |
| 2. Level/year at which this course is offered: Level 4/Year 2 |
| 3. Pre-requisites for this course (if any): ANAT 211          |
| 4. Co-requisites for this course (if any): None               |

## B. Teaching Methods

1	Lecture
2	Assignment
3	Practical session

## C. Course Description and Objectives

### 1. Course Description

This course allows the student to identify anatomical structures of the head and neck related to the practice of dentistry, correlate gross and neuroanatomical structures of the head and neck to their function in relation to various aspects of dental practice.

### 2. Course Main Objective

The main purpose of this course is to provide the dental student with the knowledge and skills of head and neck anatomy that are relevant to the practice of dentistry.

### 3. Course Objectives

**By the end of this course, students should be able to:**

- Identify and correlate gross, anatomical structures of the head and neck, prenatal and postnatal development, and recognize, the major neuro-anatomy and innervation of head and neck region and their relation to dentistry.
- Apply the knowledge of, anatomical structures of the head and neck, and recognize, the major neuro-anatomy and innervation of head and neck region and their relation to dentistry.
- Demonstrate time management skills in submitting assignments on time.

## D. Course Content

No	List of Topics
1	Skull
2	Muscles of mastication
3	Trigeminal nerve
4	Temporomandibular joint
5	Oral cavity
6	Nasal cavity
7	Neck
8	Face
9	Facial nerve
10	Last 4 cranial nerves
11	Pharynx
12	Larynx

## E. Assessment Tools

#	Assessment task	Percentage of Total Assessment Score
1	Written Exam (Quiz)	10 %
2	Midterm exam	20 %
3	Assignment Evaluation	10 %
4	Final practical exam	20 %
5	Final written exam	40 %
	<b>Total</b>	<b>100%</b>
